

PATENT
455610-2500REMARKS

In light of the remarks to follow, reconsideration and allowance of this application are respectfully solicited.

The Examiner kindly found the subject matter of claims 21-38 to be allowable. However, he prefers to have the preamble of each of the independent claims amended. Applicant adopts the Examiner's suggestions and amends the preambles of the independent claims in the manner suggested by the Examiner. Accordingly, claims 21-38, all of the claims present in this application, now are in condition for allowance. An early notice to that effect is respectfully solicited.

Please charge any fees that may be needed, and credit any overpayment, to our Deposit Account No. 50-0320.

Respectfully submitted,
FROMMER LAWRENCE & HAUG LLP
